New Controller – LUBING Touch Control

Dear Mr. Raemaekers,

We will change our controller to the 20/06/2016 in the product range of Top-Climate-Systems. The new versions "LUBING Touch Control" will include the full functionality of the previous controllers. The operation occurs now via touchscreen. Thus, the operation is even more efficient and clearly arranged.

Here an overview of the item numbers:

Previous Item number	New Item number	Type
7711	7740	LC-1
7712	7741	LC-2
